

The Timetable from March 14th, 2026 to March 2027

■ JR Yasugi Station 17 round trips/day

Maximum Occupancy

The Shuttle Bus carries a maximum of 25 passengers. Seats are given on a first-come, first served basis, and reservations are not possible. Therefore, we reserve the right to deny passengers from boarding if the bus has reached capacity. Delays due to local traffic conditions are possible, so please plan accordingly.

Baggage Allowance

The shuttle buses have no dedicated storage space for baggage. When the bus is crowded, large suitcases and other baggage may not be brought into the vehicle. For a modest fee at JR Yasugi Station, storage lockers are available, and the Tourist Information Counter offers a storage service for larger bags. Please be considerate of your fellow passengers' comfort, and refrain from placing bags on seats. Thank you for your cooperation.

Valid until the next JR timetable revision.
* The next revision will be in March 2027.

Return shuttle bus tickets to Yasugi Station are available in the museum lobby.

Please take one ticket that corresponds to your desired shuttle time for each member in your party.
